

Brief CV

Name	Yanhui FENG	Gender	Male	
Title (Pro./Dr.)	Prof.	Country	P.R.China	
University/Department	School of Energy and Power Engineering, Nanjing University of Science & Technology			
Personal Web Sites				
Research Area	Fault detection & diagnosis, Power electronics & power drive, Renewable Energy			
<p>Brief introduction of your research experience:</p> <p>Professor Yanhui FENG graduated from Leicester University, UK, and now he is an associate professor at Nanjing University of Science and Technology. His research interests include fault detection & diagnosis technology for industrial & renewable energy applications. He has previously completed more than 10 scientific research projects. Professor FENG has published over 30 research articles in international journals that are peer-reviewed, including Mechanical Systems and Signal Processing, Wind Energy, Renewable Energy, IET Renewable Power Generation. He has published 3 books in the fields of offshore wind energy.</p>
