

Brief CV

Name	Kedong ZHOU	Gender	Male	
Title (Pro./Dr.)	Professor.	Country	P. R. China	
University/Department	Nanjing University of Science and Technology, School of Mechanical Engineering			
Personal Web Sites	/			
Research Area	Mechanical Engineering			
<p>Brief introduction of your research experience:</p> <p>Kedong Zhou received his Ph.D degree from Nanjing University of Science and Technology in 1991. In 1997, he went to Germany as a visiting scholar and guest professor at the Institute of thermodynamics of the Department of Mechanical Engineering at Universitaet der Bundeswehr, Hamburg, for one year. Dr. Zhou is currently a professor at the School of Mechanical Engineering at Nanjing University of Science and Technology, China. His academic interests include mechanical engineering, light-weight design, transient heat transfer, human-machine interactions, damage mechanics, mechatronics, etc.</p>
